Income Tax at the Gardens

Did you know you may be entitled to a substantial tax benefit? As a resident of The Gardens you may qualify for significant tax savings that reduce the cost of living at The Gardens.

The Income Tax Act allows you to claim health care related expenses as credits if certain criteria are satisfied and you have the income tax form T2201 signed by your physician.

Potential tax saving presentations are held at each of our locations.

Speak to the Sales and Marketing Coordinator for more information.

An advertisement for a Senior Fraud Prevention Seminar. The top part features the Princess Gardens logo and the date 'FEB 19 2:30pm'. Below this is a photo of a woman speaking at a seminar. The text reads: 'SENIOR FRAUD PREVENTION SEMINAR Presented by Detective Constable Ryan Black'. A list of topics includes: 'Protect Your Personal Information', 'Recognize Common Scams', and 'What To Do If Targeted'. At the bottom, it says 'RSVP to Sarah by calling 705.750.1234' and the website 'gardensofpeterborough.ca'.

Enriched Care at the Gardens

Gardens Retirement Living understands that at times individuals may need additional assistance to maintain their lifestyle and independence. The Gardens Enriched Care® is the ideal solution when assistance with daily activities such as bathing, dressing, and medication administration are needed. Our supportive services are available to meet both planned and unplanned needs in a way that promotes the maximum dignity and independence of each resident.

Whether it is a short-term setback due to illness, individuals who require assistance due to physical challenges or other health issues we focus on wellness and keeping residents as independent as possible by providing a tailored plan of assistance.

Our Care teams include access to nursing staff, or personal assistance 24 hours a day, providing assistance with medication administration, bathing, dressing, hygiene and other activities of daily living.
