✦ Taste of the Gardens Food Show November 5th

✦ Comedy Show at Princess Gardens September 21st

Celebrating 25 Years: Royal Gardens Retirement Residence

This year marks a very special milestone, Our very own Royal Gardens Retirement Residence is celebrating 25 years of serving seniors in our community! To mark the occasion, staff, residents, and guests gathered for an evening filled with heartfelt remarks, dinner, and live music.

Guests were invited to browse through decades of photos and memorabilia from the community's archives, taking a walk down memory lane through the many milestones,

friendships, and memories made over the years.

Attendees also had the chance to sign a commemorative banner, adding their own well-wishes to a quarter-century of history.

A milestone like this is about more than just years, it's a testament to the countless residents who have called Royal Gardens home, the dedicated team members who have supported them, and the strong sense of community that has been built and nurtured since day one. Twenty-five years of laughter, care, and connection is something truly worth celebrating.

Here's to the future of this truly remarkable retirement community.

First Annual Canterbury Cup Putting Tournament

Canterbury Gardens' putting green was the place to be this July, as residents teed off for the community's very first Canterbury Cup golf tournament!

The friendly competition ran every Sunday throughout the month, drawing an impressive 32 participants eager to show off their putting skills and enjoy a little friendly rivalry along the way.

Week after week, residents gathered on the green for laughs, competitive putts, and plenty of cheering from fellow residents and spectators.

At the end of a hard-fought month of competition, one golfer rose to the top: congratulations to Alex, our very first Canterbury Cup champion!

None of it would have been possible without the dedication of the Canterbury Golf Association's organizing committee: Joe, Dave, and Don who planned, coordinated, and ran the tournament. Their commitment turned a simple idea into a beloved new community tradition.

Congratulations to everyone who picked up a putter and stepped onto the green this summer, and thank you to all the residents, families, and staff who came out to cheer on the competitors.

Why our residents love to call The Gardens their Home!

Stand-by Generators

Never worry about a storm knocking out the lights. Our full property standby generators keep power, heat, elevators, and essential services running no matter what the weather brings.

Security and Peace of Mind

Our team is on-site around the clock, with emergency call bell systems in every suite, so help is always just a button press away.

Our communities have fire sprinkler systems, state-of-the-art alarm systems, emergency generators, and a caring staff dedicated to your well being. At The Gardens of Peterborough we take the worry out of day to day living so that you can live life to the fullest
